

Energy Markets Consultant / Senior Consultant Poland and CEE

Background in economics, engineering, industrial engineering (or similar)

enervis is a leading Berlin-based consulting firm specializing in the European energy industry. We support companies in strategic investments and shape the energy policy debate. enervis is expanding its international consulting team and is looking for a Consultant / Senior Consultant for the markets in Poland and other Central Eastern European (CEE) countries.

Your tasks

- Analysis of energy markets with a strong focus on the CEE region: policy / regulatory and specific energy market frameworks, RES tenders, investment options for market players
- Evaluation of renewable and conventional generation and storage assets, PPA procurement and market-based pricing
- Building and expanding our network with major commercial players in the Polish / CEE energy markets (utilities, investors, RES project developers, corporate offtakers / industry)
- Acquisition and management of consultancy projects
- Communication and presentation of project results in workshops and at conferences

Your profile

- At least 2 to 4 years of experience at a project developer, consultancy, energy company, financial services company, or other energy related firm or institution
- Energy economic know-how, familiarity with CEE energy markets
- Completion of a university degree with above-average grades
- Fluent communication skills in Polish and English, good command of German is an advantage
- Professional use of Office software
- Analytical and conceptual skills
- Teamwork and communication skills

Our offer

Our various consulting projects offer you the perfect opportunity to enter the market as a consultant and help shape the energy transition in the CEE region and beyond. With enervis, you will quickly gain an overview of the relevant energy market issues, while you can specialize and develop your skills further. You will work in interdisciplinary teams in an open atmosphere with flat hierarchies and in one of the most beautiful offices in Berlin. A change of office location to Poland is possible in the mid-term.

We are looking forward to receiving your application (including your salary expectations) in PDF format to:
